Way Oil 2 & Way Clear 2

Lubricating Oil for Slide Way Lubrication

Way Oil 2 & Way Clear 2 meets Cincinnati Machine P-47 specification.

Benefits of Way Oil 2 Machine Lubrication **Unique feature of Way Clear 2**

Way Oil 2 is 68 Viscosity oil specially designed for eliminating the problems of coolant degradation associated with tramp oil contamination.

Benefit To Customer: better coolant life hence saving on coolant cost.

Way Oil 2 offers superior Slide way Adherence, stick-slip friction characteristics and complete water soluble coolant separation.

Benefit to Customer: Reduction in cutting oil consumption.

Formulated with high quality additives under strict quality control, resulting in products that meet or exceed international specifications established for slideway oils.

Benefit to Customer: longer machine tool life.

No Sulphur, so prevent corrosion of slide ways and machine parts.

Benefit to customer : higher accuracy retention.

All Hangsterfer's Way Oils meet or exceed the Cincinnati Machine P-47 specification.

Benefit to customer: Ease of availability of reliable product every time.

Colorless - Way Clear 2 is Colourless (Transparent) so it will not create any yellow/brown patches on machine, so will always look good in appearance.

Odorless Way Clear 2, so no bad smell on shop floor

Rapid Oil Rejection

Extended Sump Life Rapid Oil Rejection - Way Clear 2 have water separability, which improves coolant life

Solvent Free

Meets or Exceeds OEM Specifications

VOC Compliant - Way Clear 2 is Volatile Organic Compounds (VOC) compliant, so it doesn't Sensitize, no Skin Irritation and non-Toxic.

Coolant Compatible - No negative coolant effects such as odor, staining and dermatitis.
